**RE/MAX 4000** of Grand Junction was listed in the Power Broker Report as the No. 8 top producer in the state by RIS-Media.

The annual survey ranks residential brokerage firms according to closed transaction numbers and closed sales volume.

Joyce Dorscher, sales associate with Century 21 Cole and Co., was recognized as one of the top producers nationwide by Century 21 Real Estate, LLC.

**DORSCHER**

Dorscher received the ruby level Century 21 Masters Award.

The **Fruita Budget Truck Rental** location is now offering Global Positioning System navigation devices by Garmin to be used with their moving trucks. Budget is the first consumer truck rental company to offer GPS devices to make moving easier.

Jenann Wakefield, Web developer for the **Mesa County Valley School District**, will receive the Cable's **Leaders in Learning Award** for developing "Parent Bridge," a Web application that allows parents to check student progress from kiosks in grocery stores.

Wakefield is one of only four nationwide to be honored with the award.
